- ◆ Maximum temperature 325°F.
- ◆ Made of Stainless steel.

[Note: Dimensions and Specification are subject to change without notice.](#)

This Energy Efficient half size oven has a controlled, uniform heat source that maintains close temperature tolerances throughout the cooking and holding function. As a result, consistent cooking offers low shrinkage of bulk or portion-cut protein items, higher food moisture content, and significantly longer holding life. Max temperature 325°F.
